

Getting Started with MAGAZINES from OverDrive

You're now able to get the latest issues of many magazines for free from Cheshire Library's OverDrive website. Magazines from OverDrive come in the NOOK periodicals format, which means that you'll need [the free NOOK reading app or a supported NOOK device](#) to read them.

Follow these steps to find, get, and read NOOK periodicals from your library:

2. Open OverDrive from the front page of Cheshire Library's website (www.cheshirelibrary.org).
3. Find a periodical. You can search for periodicals by name or use the **Advanced Search** to find all titles in the **NOOK Periodicals** format.

3. Once you've found a periodical that looks interesting, mouse over it (or tap it, on a mobile device) and select **Get this issue**.

If prompted, sign into your library account.

4. Your library **Bookshelf** will open, displaying your periodical. From here, select **Send to NOOK**.

If this is your first time sending a periodical to NOOK, continue to step 5. If you've sent periodicals to NOOK before, skip to step 7.

5. The first time you select **Send to NOOK**, you'll be taken to a Barnes & Noble page where you'll be prompted to sign into your NOOK (Barnes & Noble.com) account. If you don't already have a free NOOK account, you'll see a prompt to register for one.

What is your email address?

Email Address

Do you have an account?

Yes, and my password is:

Password [Forgot your password?](#)

No, register now & we'll set you up in one easy step

6. After you've signed into (or created) your NOOK account, select **Grant Access**. This is a one-time step that allows periodicals in your library account to be sent to your NOOK device or app.

Note: None of your personal information from your NOOK account will be shared with OverDrive or your library.

BARNES & NOBLE
BN.com

Grant Access

OverDrive is requesting permission to access your BN.COM account. This is required in order to add the borrowed items to your NOOK Account. You can read the added content on any of the NOOK Apps on iOS, Android or Windows, or on any NOOK device. We will not share any of your account information.

You must choose Grant Access in order to borrow magazines and newspapers from your library or school.

7. Once the periodical has been successfully sent to NOOK, [it will be automatically removed from your library account](#) within a few minutes. This frees up space in your library account so you can get other periodicals.

If the periodical was *not* successfully sent to your NOOK account, you can select **Re-send to NOOK** to try again, or you can select **Clear from Bookshelf** to manually remove it from your library account.

Parents Magazine
Meredith Corporation

Expires in 7 days

8. You'll find the periodical that you sent to NOOK in your [NOOK reading app or supported NOOK device](#).

Periodicals that you send to NOOK will stay in your NOOK app or on your NOOK forever (unless you manually remove them). You don't have to worry about returning them to your library, and you'll never be charged for them.
